Who is CUC Isaac?

Country Universities Centre Isaac (CUC Isaac) is a not-for-profit community study centre that helps people in the Isaac Region access tertiary education without leaving home. We are part of the national Regional University Study Hub and Country Universities Centre networks, funded by the Commonwealth and supported by local industry partners. Our mission is simple: bringing degrees closer to regional, rural and remote Australia.

Why host an expo?

Our region is filled with talented, skilled and passionate people. We want to ensure everyone in our community understands and has access to all study and career opportunities available to them.

Our two centres

- Moranbah Centre, 35 Town Square Ave, Moranbah 4744
- Clermont Centre, 21 Daintree St, Clermont 4721

How we can help

- A free, quiet place to study, with reliable internet and technology
- Connection to any university, TAFE or training provider in the country
- Workshops, mentoring and VR career exploration

PROGRAM FOR THE DAY

11:00am

Doors open and the expo floor is open

11:00am

Official welcome and opening

12:00pm

Panel discussion: Your Journey, Your Success

EXPO FLOOR PLAN

Whitehaven Coal is one of Australia's leading coal producers, operating mines across Queensland and New South Wales and supplying metallurgical coal for steelmaking and thermal coal for energy security.

Its workforce supports regional communities through roles spanning mining operations, trades, engineering, technology, environment, health and safety, and business, with early-career pathways including apprenticeships, traineeships, vacation programs and graduate opportunities.

whitehavencoal.com.au

Stanmore Resources is an Australian resources company with major metallurgical coal operations and development projects in Queensland's Bowen Basin, including South Walker Creek, Poitrel and the Isaac Plains Complex.

As a significant supplier to global steelmaking markets, Stanmore supports a broad range of operational, technical and corporate careers while fostering skills development, safe work practices and long-term employment in regional communities.

stanmore.au

Anglo American is a global mining company with significant steelmaking coal operations and investments in Queensland's Bowen Basin.

Its Australian business produces high-quality coal used in steel for buildings and infrastructure, while supporting careers across underground operations, trades, engineering, technology, safety, environment and professional services, including pathways for school students, apprentices and people entering the industry.

australia.angloamerican.com

Peabody

Peabody is a leading coal producer whose Australian operations supply essential products for reliable energy and steelmaking. The company's mines support careers across operations, trades, engineering, technical services, environment, safety and business functions, alongside early-career development through work experience, apprenticeships, traineeships, vacation placements and graduate programs.
peabodyenergy.com

NORTHERN QUEENSLAND
REGIONAL TRAINING
HUBS

JCU Northern Queensland Regional Training Hubs helps aspiring and early-career doctors explore regional medical pathways, connecting them with career guidance, resources and training opportunities from medical school through to specialist practice. Its work also helps strengthen the future rural health workforce serving northern Queensland communities.
nqrth.edu.au

GOLD FOUNDING SPONSORS

Iberdrola Australia is part of the global Iberdrola Group and operates one of Australia's largest renewable energy portfolios, with more than 95 per cent of its electricity generation sourced from renewables. Its activities span wind and solar generation, energy storage, energy markets, decarbonisation and sustainability, creating career pathways across engineering, technology, project development, operations and corporate services.

iberdrola.com.au

Huaxin Energy's Moorlands Mine is a proposed open-cut coal mine northwest of Clermont, targeting construction from 2028. Moorlands is committed to supporting local jobs, businesses, training and career opportunities.

SILVER & BRONZE FOUNDING SPONSORS

SILVER FOUNDING SPONSOR

With 40-plus years of experience delivering distance education, CQUniversity is one of Australia's leading online study providers.

People in the Isaac Region can explore flexible TAFE, undergraduate and postgraduate study pathways, with practical, career-focused learning and support designed to help them study close to home.

cqu.edu.au

BRONZE FOUNDING SPONSORS

A Moranbah and Dysart initiative helping local youth, businesses and workers understand and access the skills needed for the jobs of the future.

smartrtransformation.com.au

La Trobe University gives people in the Isaac Region access to flexible online study that can fit around work, family and location. Students can explore undergraduate, postgraduate and short-course options while accessing online support and building practical skills for a new career or their next professional step.

latrobe.edu.au

Create a Sign, for its in-kind contribution of all the expo sign printing.

Isaac Regional Council, for its in-kind contribution towards the use of the Isaac Events Centre.

Central Queensland University

With 40-plus years of experience delivering distance education, CQUniversity is one of Australia's leading online study providers.

People in the Isaac Region can explore flexible TAFE, undergraduate and postgraduate study pathways, with practical, career-focused learning and support designed to help them study close to home.

cqu.edu.au

Phone: 13 27 86

James Cook University

James Cook University can help Isaac residents explore a wide range of courses, entry pathways and flexible study options shaped for the opportunities and challenges of regional and northern Australia. Its team can help school leavers, career changers and people returning to study understand their options and plan a pathway into higher education.

jcu.edu.au

Phone: 1800 246 446

Queensland University of Technology

Queensland University of Technology offers people in the Isaac Region flexible online undergraduate, postgraduate and short-course options grounded in real-world learning. Residents can build practical, industry-relevant skills while studying around work and family commitments, with online academic and technical support available.

qut.edu.au

Phone: (07) 3138 2000

University of Southern Queensland

From space and defence research to innovations in health, agriculture and regional development, the University of Southern Queensland is a leader in research and education. UniSQ delivers world-class study through its campuses in Toowoomba, Springfield and Ipswich, as well as a strong online presence.

unisq.edu.au

Phone: 1800 269 500

Energy Queensland

Offering electrical apprenticeships across the state, Energy Queensland provides people in the Isaac Region with a pathway to earn while they learn, gain nationally recognised qualifications and build practical skills for a career helping deliver safe, reliable electricity to Queensland communities.

energyq.com.au

QLD Mines Rescue Service

Queensland Mines Rescue Service helps people in the Isaac Region understand the specialist skills behind mine safety, emergency preparedness and rescue. It also offers industry training in areas such as emergency response, atmospheric monitoring and mine event management for those building safety capability or exploring resources-sector pathways.

qmrs.com.au

Civil Safety Moranbah

Vocational education and training within the civil, mining and construction industries. Civil Safety Moranbah helps people across the Isaac Region build practical, job-ready skills through nationally recognised training, including safety courses, high-risk work licences, and plant and machinery qualifications.

civilsafety.edu.au/training-facilities/moranbah

MIGAS Apprentices and Trainees

MIGAS is a not-for-profit group training organisation, employing apprentices and trainees for 'host employers' to provide them with on-the-job training. They rely very much on host employers requesting apprentice placements for the full two or four-year tenure.

migas.com.au

MAS National and MRAEL

MAS National and MRAEL can help people in the Isaac Region navigate apprenticeships and traineeships, connect with employers and training organisations, and understand the sign-up process. Their tailored advice and mentoring supports school leavers, career changers and apprentices from their first enquiry through to completion.

masnational.com.au/individuals/become-an-apprentice-or-trainee
mrael.com.au/apprentices/careers-apprenticeship

Central Highlands Regional Resources Use Planning

Find your passion. Discover where it can take you. The LEADAg program is designed to give young people greater exposure, experience and opportunities in agriculture.

chrrup.org.au

Power Learning

Hands-on help to achieve your learning goals.
